Kalahari Reserve

AFRICA'S FINEST FOUR NIGHT SAFARI: *Suggested Itinerary*

Safari travel takes on a whole new meaning at Tswalu Kalahari. Here, in the luxury and beauty of this magnificent malaria free 100,000ha private game reserve, the focus is on you, and it's all about reward... pampering, gourmet cuisine, superb wines, safari, and getting to do the things you've only ever dreamed about.

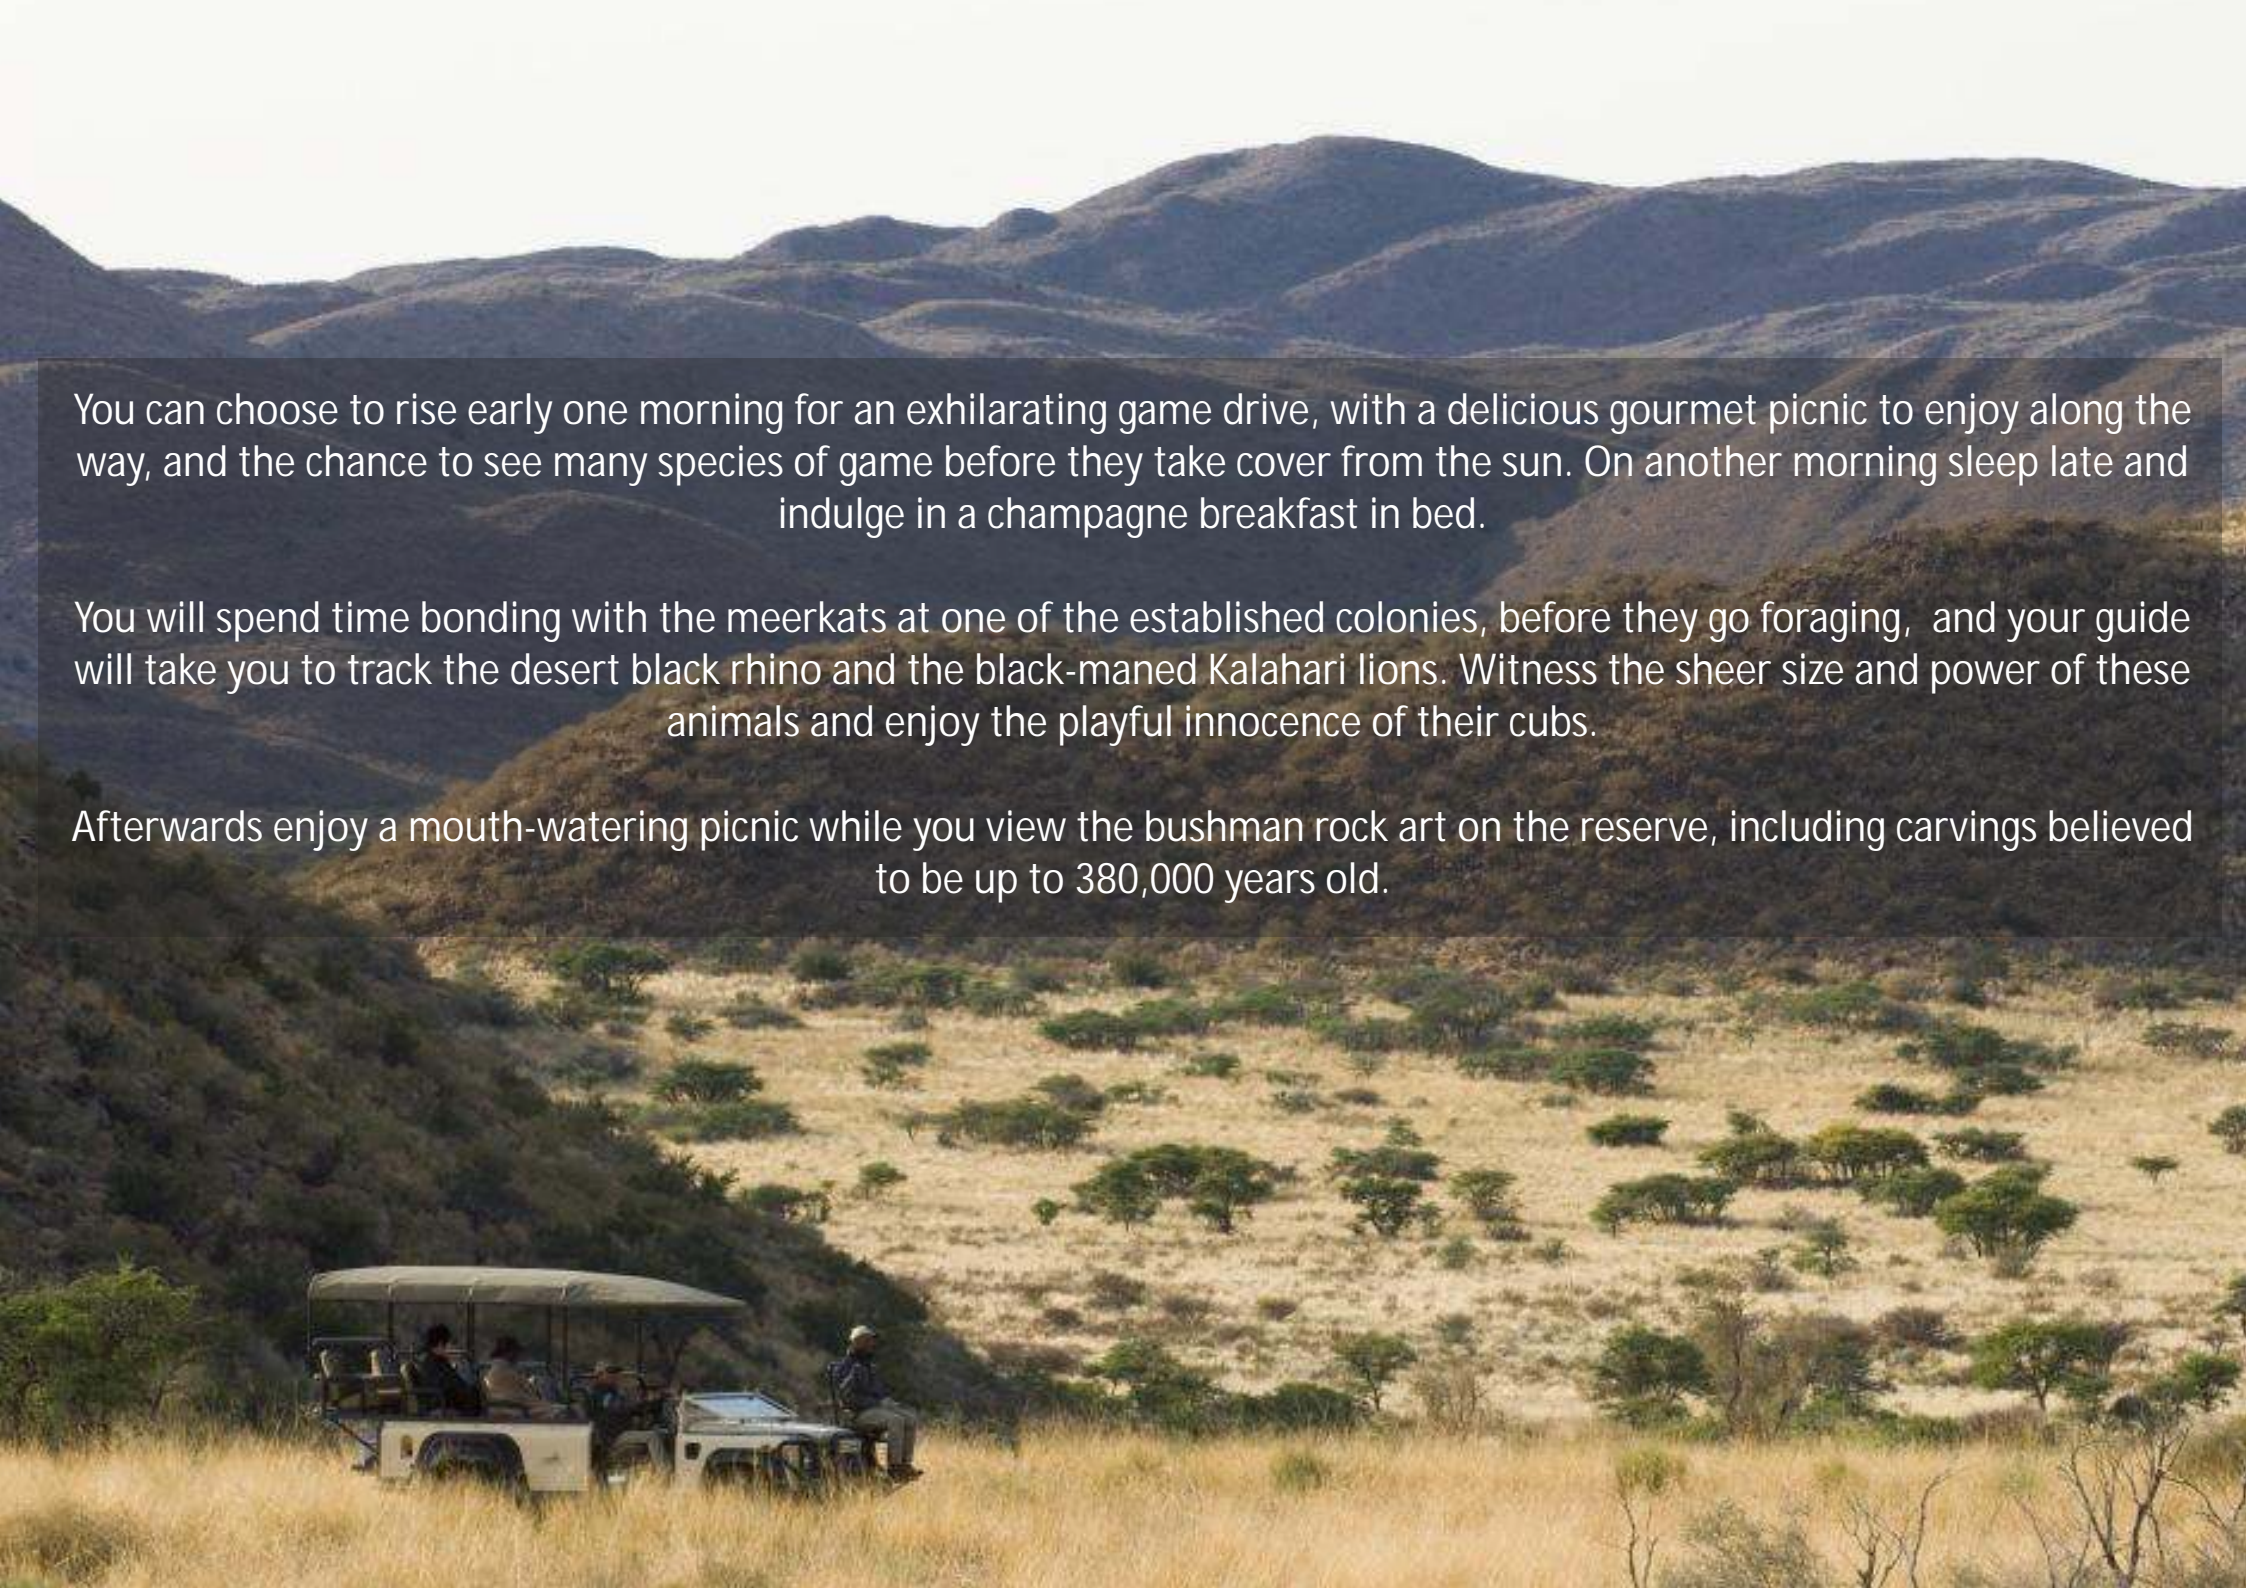

You will be treated like royalty from the moment you arrive at the private hangar at Cape Town or OR Tambo International Airport to board the luxury Pilatus PC12. And when you touch down on the Tswalu airstrip after your comfortable flight, your personal field guide will be there to greet you with refreshments before the drive to The Motse.

Your private three night stay at Tswalu has been tailored to include an exciting itinerary of interactive safari experiences, gourmet meals at various scenic venues, indulgent spa treatments and personal relaxation time.

You will have the opportunity to spend a night under the stars at The Malori sleep-out deck, where a raised platform with a thatched overhang offers protection from the elements and a luxury king-size bed will ensure a good night's sleep.

A wide-angle photograph of a savanna landscape. In the foreground, a white game drive vehicle with a canopy is parked on a grassy slope. Several people are visible inside the vehicle. The middle ground is a vast, open plain with scattered acacia trees and low-lying shrubs. In the background, there are rolling hills and mountains under a clear sky. The overall scene is a typical African savanna environment.

You can choose to rise early one morning for an exhilarating game drive, with a delicious gourmet picnic to enjoy along the way, and the chance to see many species of game before they take cover from the sun. On another morning sleep late and indulge in a champagne breakfast in bed.

You will spend time bonding with the meerkats at one of the established colonies, before they go foraging, and your guide will take you to track the desert black rhino and the black-maned Kalahari lions. Witness the sheer size and power of these animals and enjoy the playful innocence of their cubs.

Afterwards enjoy a mouth-watering picnic while you view the bushman rock art on the reserve, including carvings believed to be up to 380,000 years old.

One of the best ways to see game is on horseback. Enjoy a gentle ride on one of our comfortable, well-schooled horses and see the reserve from a different perspective. After an afternoon of riding, you'll be treated to sundowners while you watch the magnificent spectacle of a Kalahari sunset from a camp set up for you in the dunes.

You will Indulge in a boma feast, and a bush dinner, and a five course gourmet meal in our dining room, prepared by executive chef Theresa Fehrsen, whose inspiration comes from the freshest available local ingredients.

A photograph of two black rhinos in a savanna landscape. The larger rhino is on the left, partially obscured by a thorny bush, and the smaller one is on the right. They are surrounded by tall, dry grass and sparse vegetation under a clear sky.

Spend the morning tracking the endangered black rhino on foot with Africa's finest trackers, followed by an afternoon of pampering in the award winning Tswalu Spa.

Your itinerary is not just about activity... there will be time to relax and be pampered in the unique Tswalu Spa with its outdoor treatment area and indigenous spa garden.

We look forward to hosting you at Tswalu and sharing an experience which epitomises the African safari, without compromising on luxury accommodation, incredible game viewing, gourmet dining and attentive, personalised service.
